
Scott County ERP System Planning Project

Advance Notice: ERP System Request for Proposal

Scott County, Iowa is planning to release a request for proposal to vendors for an Enterprise Resource Planning (ERP) system and to include implementation services. Desired functionality of the ERP system will include general ledger, financial reporting, budgeting, purchasing, accounts payable, accounts receivable, human resources and payroll, among others.

The RFP is scheduled for release in early February, 2012 and will be posted on the County's website.

BerryDunn shall be the sole point of contact for the purposes of this procurement. All questions should be directed to either Chad Snow or Seth Hedstrom using the following contact information:

Chad Snow , Consulting Manager	Seth Hedstrom , Senior Consultant
csnow@berrydunn.com	shedstrom@berrydunn.com
207-541-2294	207-541-2212

Thank you in advance for your interest in this important County project.
