Response to Written Questions

**REQUEST FOR PROPOSAL
65093-20T20**

Public Health Nursing and Home Care Aide Services

1: Question on request for proposal p12, objective 2.02- lists PH nursing services and includes health promotion but in Appendix B it is not one of the approved activities or not listed on the activities sheet to check. Just wanted to make sure it wasn't left off accidentally since it was included as an objective. Thanks

Answer: Addendum/ Amendment #1 to the RFP has been posted. Please note Health Promotion as an added activity.

**2: Clarifying question for technical aspect: understand you want pages to be numbered starting after cover sheet but do you want all attachments included in the numbers example being CMS report and agency yearly audit.
Thanks**

Answer: The supporting documents, CMS report, yearly audit information, do not need to be numbered. These documents may be submitted as supporting documents to the formal RFP.

3: Can the 5 hard copies of FY20 LPHS RFP and the flash drive be hand delivered to the Scott County Purchasing dept?

Answer: An electronic version of the application shall be submitted through Public Purchase. One original version of the application signed with non-black ink, 4 photo copies of the application, and a flash drive containing the application may be mailed to or hand delivered to Scott County Purchasing at the address listed in the RFP. Amendment #1 to the RFP has been posted and includes this information.

4: In the Request for Proposal 65093-20T20 PDF- instructions page 6 1.05-E says one original signed with non-black ink and 5 copies but on page 17 4.01 - B it says applicants must submit 1 signed in non- black ink: and 4 copies and 1 flash drive. Just clarifying if need 4 or 5 copies Thanks

Answer: Please see response in Question 4.
