RFP #: 65093-20T20	ADDENDUM #1- April 12, 2019
Public Health Nursing and Home Care Aide Services	

The Request for Proposal #65093-20T20 will be amended as follows:

1.05 Schedule of Events

E. Proposals Due – April 19, 2019. Proposals must be received by 2:00 p.m. on April 19, 2019. This requirement is mandatory and will not be subject to waiver as a minor deficiency. RFP submissions must be via Public Purchase at www.publicpurchase.com. Registration is required, however Scott County does not require you to select a subscription service of any type, nor will Scott County be responsible for any costs incurred if the submitting firm opts for any type of subscription other than the “free” selection. Question regarding Public Purchasing should be directed to them through their chat feature. One original signed with non-black ink, and **five four** copies containing the entire proposal shall be clearly marked with FY20 LPHS RFP. Hardcopies and flashdrive should be sent to the following address:

Scott County Purchasing
 FY20 LPHS RFP
 600 W 4th Street
 Davenport, Iowa 52801

Verification of receipt may be made to the purchasing office at 563-326-8793. Please note that office hours conclude at 4:30pm sharp.

G. Release of Names of Applicants – ~~April 12, 2019~~ **April 22, 2019**. The names of all applicants who submitted properly dated and time-stamped proposals shall be released to all applicants who have, in writing, requested such notification.

Appendix B: FY20 Contract Management and Outcomes Table

See next page

FY20 Contract Management and Outcomes Table

The contract management table is intended to provide a description of each activity allowed in this contract.

Activity	Billing Unit	Description	Objective	What is Measured	Essential Services Component
