Scott County may in its sole discretion make an equitable adjustment in the pricing if pricing or availability of supply is affected by extreme and unforeseen volatility in the marketplace that is by circumstances that satisfy all of the following: 1) The volatility is due to causes wholly beyond the successful bidder's control. 2)The volatility affects the marketplace or industry, not just the particular successful bidder source of supply. 3) The effect on pricing or availability of supply is substantial. 4) The volatility so affects the successful bidder that continued performance of the contract would result in a substantial loss. Any adjustment would require irrefutable evidence and written approval by the Director of Budget & Administrative Services.
