From time to time, it may be necessary to change or modify a request for proposals. If you have received this request from any source other than direct fax or email from Scott County, it is your responsibility to check for updates and/or changes to the request. If you would like to receive automatic updates, please register your company in our vendor database by using our website, www.scottcountyiowa.gov .

*Scott County reserves the right to accept the bid from the lowest responsible bidder.

Scott County may in its sole discretion make an equitable adjustment in the pricing if pricing or availability of supply is affected by extreme and unforeseen volatility in the marketplace that is by circumstances that satisfy all of the following: 1) The volatility is due to causes wholly beyond the successful bidder's control. 2) The volatility affects the marketplace or industry, not just the particular successful bidder source of supply. 3) The effect on pricing or availability of supply is substantial. 4) The volatility so affects the successful bidder that continued performance of the contract would result in a substantial loss. Any adjustment would require irrefutable evidence and written approval by the Director of Budget & Administrative Services.

SCOTT COUNTY CONSERVATION BOARD REQUEST FOR PROPOSALS 2025 WEST LAKE PARK PLAYGROUND EQUIPMENT

The Scott County Conservation Board is requesting proposals for new playground equipment to replace aging equipment at the High Meadows Shelter at West Lake Park near Davenport, Iowa. Vendors are asked to submit no more than two design proposals for the playground.

Project Specifications Base Proposal:

- The project budget is \$100,000 for the playground. Proposals shall not exceed this amount.
- All playground equipment and surfacing must meet ALL standard playground equipment specifications, including ASTM, ISO 9001 & ISO 14001, and IPEMA Certified.
- Design for maximum age group usage, primarily ages 5–12.
- Proposals should include the cost of utilizing synthetic turf or poured-in-place rubber as the safety surface
- The proposed playgrounds shall not exceed the existing playground area
 - High Meadows Playground with the current fall zone is approximately 55 feet by 55 feet
- Vendors are encouraged to do a site visit to ensure proposals will work in the designated areas
- Proposals with wooden construction will not be considered.
- The equipment may be modular, free-standing, or a combination of both in design. All upright supports must be a minimum of 3.5 inches in diameter.
- Colors should be unique and fun.
- Prices shall include delivery and installation of the playground and safety surface.
 - SCCB will remove the existing playground and prepare the site for installation.
 - As a cost-saving measure, SCCB requests this to be a supervisory build, with staff providing labor, equipment, and concrete. The contractors shall provide at least one supervisor who will lead the layout of the equipment, supervise construction, and oversee other related tasks. Estimated concrete quantities should be included with the RFP.
- All specifications and warranty literature must accompany the design drawings.
- Proposals must include an estimated time frame for equipment delivery and installation.

Selection Criteria:

- Completeness of the proposal
- The amount and diversity of play opportunities
- The uniqueness of design
- The compatibility of design and/or theme with the park setting
- Quality, costs, and warranty

Proposal Submittals:

All proposals are due by **noon on Tuesday, September 30, 2025**. Proposals may be emailed to conservation@scottcountyiowa.gov or mailed/delivered to:

Scott County Conservation Board
Attn: Playground Proposals
14910 110th Ave
Davenport, IA 52804

Contact Information:
