TO: Dee F. Bruemmer, County Administrator

FROM: Sarah Kautz, Budget Manager

SUBJ: Filing of Third Quarter Reports from Various County Offices for FY09

The following is a summary of collections through the third quarter of FY09 for the following County offices:

Office	FY09 Budget	March 31, 2009 Actual	% Rec'd	Note
Auditor	\$ 106,100	\$ 74,235	70.0%	(1)
Recorder	1,434,050	795,742	55.5%	(2)
Sheriff	982,538	796,004	81.0%	(3)
Planning & Dev	263,700	113,532	43.1%	(4)
<b>Totals</b>	<b>\$2,786,388</b>	<b>\$1,779,513</b>	<b>63.9%</b>	

**Note 1:** Reflects the amount of election costs reimbursements received during the period. Special election costs have been billed and will be received in future quarters.

**Note 2:** Reflects fees for real estate filings received during the period. The current sub-prime mortgage national situation has had a negative effect locally on home sales and refinancing which have reduced Recorder revenues. Recording of instruments activity has increased in the past few months while passport and documentary stamp revenue in the Records office has seen a decline.

**Note 3:** Reflects grant activity, forfeited assets revenue, and fees for service received during the period.

**Note 4:** Reflects the amount of building permit fees, tax deed auction proceeds and State LUST reimbursement funds received during the period. It is noted that building activity has subsided substantially because of the current economic climate.

The Commission of Veteran Affairs, in their report to the County Auditor, presents the following summary of expenditures through the third quarter of FY09:

Veterans Office	FY09 Budget	March 31, 2009 Actual	% Used	Note
Administration	\$ 64,015	\$41,081	64.17%	
Relief Payments	59,300	39,344	66.35%	(1)
<b>Totals</b>	<b>\$123,315</b>	<b>\$80,425</b>	<b>65.2%</b>	

**Note 1:** Most of direct relief comes from the state and federal government. It is noted that 82.5% of burial assistance costs and 45% of rental assistance were expended for the period.

FROM: Sarah Kautz, Budget Manager

SUBJ: Summary of Scott County FY09 Actual Revenues and Expenditures for the Nine-Month Period Ended March 31, 2009

Please find attached the Summary of Scott County FY09 Actual Revenues and Expenditures compared with budgeted amounts for the nine months ended March 31, 2009 on an accrual accounting basis.

Actual expenditures were 71.5% used when compared to budgeted amounts (page 3) for the operating budget (net of debt service, capital projects, and golf course operations). The total Scott county budget including non-operating costs was 66.8% expended (page 1). There were no budget amendments adopted by the Board during the first nine months of FY09.

Total actual revenues overall for the period reflect 83.1% received when compared to budgeted amounts (page 2).

The Personnel quarterly summary report (page b-1) shows that the overall total authorized FTE level of 456.52 FTE's was unchanged during the third quarter of FY09.

A memo is included outlining the status of current FTE's authorized in the past as a result of grant funded appropriations. This information is being provided on a quarterly basis to allow discussion between the Board and affected departments when grant funding runs out.

Most departments basically reflect a good financial status at the end of the third quarter based on total expenditures and revenues compared to budget amounts with additional comments for certain departments expressed below:

**Administration** - The 106.3% appropriations reflects additional salary/benefit expenses related to the payout of vacation/sick time for the retirement of the previous county administrator, as well as the

salary overlap for the county administrator and budget positions. The additional expenditures will be included in the budget amendment in the 4<sup>th</sup> quarter.

**Attorney** - The 356.7% or \$59,204 revenue level reflects the following 1) forfeited asset funds received during the period 2) \$28,531 of the total revenue is related to the delinquent fine collection program that the County Attorney's office is continuing to grow.

**Auditor** - The 70% revenue level is below the re-estimated budget amount. Election reimbursements from the special election have not been received to date. Also, charges for services are at 55.6% for the year due to a decline in the housing market. The 88.1 % expenditure level is due to additional election costs, i.e. poll workers, temporary workers, & overtime incurred for the presidential election. These additional expenditures will be included in the budget amendment in the 4<sup>th</sup> quarter.

**Authorized Agencies** – The 69.3% revenue level reflects the amount of State pass through Title XIX funds received during the year for Vera French Community Mental Health Center. The 72.5% expenditure level reflects funding allotments to HDC and Vera French Community Mental Health Center on a reimbursement basis at the time this report was run.

**Capital Improvements** - The 35.1% expenditure level reflects the amount of capital projects expended during the period. Gaming revenues are holding steady for FY09. The Isle of Capri revenue received is 87.8% of budget. The Rhythm City revenue is at 65.1% of budget. In total, gaming revenue received for the 9 months ended 3/31/09 is 77.3% of the amount budgeted for FY09.

**Community Services** – The 93.5% revenue level is due to the majority of State funds have been received for FY09. Federal Local Purchase money will be received in the 4<sup>th</sup> quarter. The 58.8% appropriation amount is due to a few factors 1) the decrease in the required county Medicaid FMAP match (38% to 32%) that was a result of the Federal Stimulus (ARRA) 2) the State is at least 2 months behind in billing the county for some services.

**Conservation:** - The 81.4% revenue level reflects the amount of camping, pool and beach fees received during the busy summer months at the beginning of FY09, in addition to State REAP funds and riverboat grants received this year. Additionally, Conservation has received \$177,000 in FEMA reimbursements to cover damage related to the flooding and other damage this past summer.

**Debt Service** – No principal payments are due during the first six months of the fiscal year. Interest is paid out on the River Renaissance Bonds every June and December with principal amounts paid in June. Interest on the debt service for the solid waste bonds are paid out during June and December of each year with principal payments also made in June. The funding support for the solid waste bond debt service is received from the Scott Solid Waste Commission during the second and fourth quarters of the fiscal year. It is noted that under accrual accounting the amount received from the Commission for principal payments gets credited to a balance sheet asset account - the revenue bond from the Commission the County is holding that collateralizes this transaction. GIS bond debt amortization occurs in December and June of each fiscal year.

**Facility & Support Services** – The 67.3% revenue level reflects the amount of reimbursements received for various support costs during the period. The 75.4% expenditure level reflects the amount of building and equipment maintenance costs expended during the period as well as utilities costs.

**Health Department** – The 66.1% revenue level reflects the amount of grant reimbursements received during the period. The 69.0% expenditure level also reflects the amount of grant expenditures made during the period.

**Human Services** – The 59.8% expenditure level reflects the amount of Title XIX case management matching funds expended during this period.

**Information Technology** – The 69.3% expenditure amount reflects the amount of computer maintenance and telephone costs expended during the period. The 68.9% revenue level reflects the amount received from the State for court support costs reimbursements during the period.

**Juvenile Court Services** – The 73.7% revenue level reflects all State detention center reimbursements & charges for service being received during the period. The 65.2% expenditure level reflects expenditures made for emergency shelter care during the period.

**Non-Departmental** – The 49.1% expenditure level is due to the budgeted \$2.1 million annual jail debt amortization (to the Public Safety Authority) being paid out in the second and fourth quarters with the principal payment due in June. The 48.8% revenue level reflects the receipt of the entire regional Justice Assistance Grant (JAG) funds received for the year in advance as well as a regional bioterrorism grant. \$402,500 of interest income was budgeted here. This amount will not be received due to the economic downturn and significant interest rate decreases.

**Planning & Development** – The 44.8% revenue level reflects the amount of building permit fees and tax deed auction proceeds received during the period. Building permit revenue is down \$66,411 when compared to a 9 month budgeted amount. The 71.5% expenditure level is due to the annual allotments made to the Greater Davenport Redevelopment Corp and the Scott County Housing Cluster during the first nine months.

**Recorder** – The 55.5% revenue received during the first nine months reflects the decrease in revenue for the recording of instruments and documentary stamps. This decrease is a reflection of the slowdown in the economy, providing for fewer home purchases and refinances. We have begun to see an increase in the recording of instrument activity. However, we have seen a decline in the passport revenue and documentary stamp revenue. The 19.5% revenue decline equals a decrease of \$279,796.

**Secondary Roads** – The 86.4% expenditure level was due to the amount of construction costs expended during the three quarters. Expenditures were higher than budgeted due to an increase costs for snow removal, and additional concrete, macadam and asphalt projects. The increase in expenditures will be reflected in the budget amendment during the 4<sup>th</sup> quarter FY09. The 68% revenue amount reflects the amount of road use taxes received for the period on an accrual basis. Only eight months of RUT was received as of this report date.

**Sheriff** – The 74.8% expenditure level and 81% revenue level is fairly stable for the first 9 months of the year. The expanded jail is open and the county is currently not housing prisoners out of county. The kitchen at the jail is fully operational and is serving meals, instead of contracting out for this service.

**Treasurer** – The 55.5% revenue reflects a decrease in interest income & revenue from fines and penalties on taxes. This represents a decrease in revenue of \$606,515. Some of these monies will be recovered in May/June when the tax sale occurs.

**Local Option Taxes** – Revenues collected for the first 9 months of FY09 are at 71.3% of budgeted amounts, or \$146,979 less than budget.

**Utility Tax Replacement Excise Tax** – These taxes are received from utility companies primarily in October and April of the year. Amounts received are 52.9% of the amount budgeted for the year.

**Other Taxes** - These taxes include mobile home taxes, grain handled taxes, and monies and credit taxes received during the year. As of the first 9 months of the year, 92.5% of these monies had been received.

**State Tax Replacement Credit** - The State Tax Replacement Credits other than against levied taxes are received during the months of December and March each fiscal year. The State mental health property tax relief payment is distributed in two equal installments in July and January of the fiscal year. 99.2% of these replacement tax credits have been received for the year.

**Vehicle Fund and Electronic Equipment Fund** - These revenue amounts are for interest earnings that are made at year-end by accounting adjustment fund transfers as approved by the Board.

**Golf Course Operations** - Debt service payments for the lease purchase financing of the Golf Course are paid out during November and May of each year with principal payments made only in May. It is noted that the Golf Course income statement is based on accrual accounting. This means that equipment purchases are charged (debited) to a balance sheet account (fixed assets) and bond principal payments are charged (debited) to a balance sheet account (bonds/contract payable). Also, annual interest expense on the General Fund loan as well as depreciation expense (non-cash item) is charged to the income statement. Expenditures are at 71.9% due to equipment lease payments made during the first nine months, an increase in chemical and fertilizer prices because of an increase in demand, increase in maintenance costs, a repair to a culvert, and the addition of a pond was added to redirect runoff and to protect the new culvert. The 48.4% revenues reflect a decrease in rounds played year to date because of the economy and weather. The golf course re-opens for the season during the beginning of the 4<sup>th</sup> quarter. It is hoped golf round activity will increase as spring arrives.

This report is presented for the Board and your office's review and information. Please contact me should additional information be requested in this area.
