County Assessor Tom McManus then reported on two updates of the Assessor's Office since the last meeting. McManus informed the Board of the updated status of the Assessor's new website and that it was awaiting approval at Committee of the Whole Meeting the following morning. McManus also informed the Board of a misprint in the Assessor's Report at the prior meeting of having HR approval of a new proposed pay scale for the Assessor's Office. McManus stated that he wanted to ensure that the Board was aware of it and also that the Board had the opportunity to reopen the topic for further discussion if desired. There was no further discussion on either topic. McManus then asked the Board if they wished for him to go over the line items of the Assessor's budget individually for discussion. The Board declined. McManus then informed the Board they could vote to adopt the budget as all-inclusive with one vote, or to vote on specific line items individually. A motion to adopt the budget as proposed was made by Bawden, seconded by Cornouyer, all ayes, motion carried. Unanimous approval, budget adopted.
