PUBLIC NOTICE

Listed below are the 2014 Fiscal Year (July 1, 2013 through June 30, 2014) salaries for all public employees on the Scott County payroll system. Each Scott County Department is alphabetically listed and each employee is listed alphabetically within the department.

Following the Scott County employee listing, this report includes salaries for employees of other public agencies for which Scott County provides payroll services, including: the Scott County Assessor's Office, the Scott County Library, the Emergency Management Agency (EMA) and the Scott Emergency Communication Center (SECC).

Employee annual salary is determined by the hourly rate at the time of the last payroll paid in June of each fiscal year and multiplied by the employee's current FTE (full time equivalent) status. Amounts noted with an asterisk are hourly rates, not annual.

In addition to wages listed below, employees have the following fringe benefits available to them depending on their FTE status: Medical, Dental, Prescription Drug, Optical, Long Term Disability and Life Insurance, paid vacation and sick leave, retirement contributions, and reimbursement of continuing education.

Specific questions about salaries and benefits may be directed to the Scott County Auditor. This report can also be accessed on the Scott County website at: www.scottcountyiowa.com/auditor
