Rock Island Arsenal Development Group (RIADG) was formed in 2003 to help match appropriate tenants with available commercial space on Arsenal Island.

RIADG's purpose was legislated by the US Congress in the Arsenal Support Program Initiative: to reduce the cost of U.S. Army installation overhead while maintaining a government-ready workforce. We market, negotiate, lease and manage the administrative, manufacturing and warehouse spaces that are currently not being utilized by the U.S. Army. Additionally, government funding allows us to renovate and modify space to meet tenant needs, at no out-of-pocket cost.

**SCOTT COUNTY WATERSHED**

**History**

In 1990, 1993 & 1995 severe flooding occurred on Scott County urban streams. This flooding was a result of the conventional methods being used to deal with stormwater. These events and concerns with water quality in Scott County streams led to the formation of the Partners of Scott County Watersheds, an alliance committed to *developing and implementing ways all citizens can be better stewards of our watersheds.*

Since 1995, the group has been improving water quality in Scott County by providing residents, landowners, developers, environmental organizations, educators, and government officials with education, technical support, and financial assistance to promote and install best management practices.
