EXPLANATION

The inclusion of this explanation does not constitute agreement with the explanation's substance by the members of the general assembly.

Under Code section 29C.17, a local emergency management agency's approved budget is funded by one or any combination of several funding options, as determined by the local emergency management commission, including a countywide special levy pursuant to Code section 331.424(1) under the county's supplemental property tax levy authority in an amount sufficient to pay for the maintenance and operation of the local emergency management agency. This bill authorizes the local emergency management commission to certify and levy the countywide special levy for the support of the agency at a rate not to exceed \$0.35 per \$1,000 of assessed value and limits the county's authority to certify such a levy if the agency is being funded with the countywide levy under the bill. The bill also limits a city's authority to levy a tax under Code section 384.12(21) to support an emergency management agency if the agency is being funded through the countywide levy under the bill.

The bill also authorizes the local emergency management commission to certify and levy a countywide additional levy not to exceed \$1.00 per \$1,000 of assessed value for special or unique services and operations, as defined in the bill, approved by the commission. The bill also specifies that the local emergency management commission is a municipality for purposes of Code chapter 24 (local budgets).

Code section 29C.9 establishes the composition of each local emergency management commission to be a member of the board of supervisors, the sheriff, and the mayor from each city within the county. The bill modifies the composition of each commission to be all the members of the board of supervisors, the sheriff, and the mayor from each city located within the county.

The bill also provides that if a commission is meeting the financial obligations for implementation of its local emergency management program and operation of the local emergency management agency, the commission may reserve an amount of unobligated and unencumbered funds, excluding amounts reserved or obligated under the capital improvement plan, as required under the bill, for operational and emergency-related expenditure obligations in a future fiscal year, not to exceed an amount equal to 30 percent of the local emergency management agency's approved budget for the applicable fiscal year. As part of the local emergency management agency's budgeting process, the bill requires the commission to adopt a capital improvement plan that identifies large expenditures or capital improvement projects and the funding sources and financing of such projects. The local emergency management agency's annual budgeting process must also include evaluation of the activities undertaken and the progress made under the capital improvement plan.

Code chapter 422D authorizes counties to impose a property tax levy, an income surtax, or a combination of both taxes within the county, excluding those areas within a benefited emergency medical services district under Code chapter 357F, to be used for specified emergency medical services costs, if the taxes are approved at election.

The bill adds salaries and benefits of emergency medical care providers, as defined in Code section 147A.1, to the eligible expenditures from the county emergency medical services trust fund under Code section 422D.6.

The bill applies to budgets for property taxes due and payable in fiscal years beginning on or after July 1, 2025.

Pursuant to Section 7b of the articles of the 28E Intergovernmental Agreement made and entered into on the 12th day of December of 2007, by and between Scott County, Iowa (hereinafter County), the City of Davenport (hereinafter Davenport), the City of Bettendorf (hereinafter Bettendorf), Davenport Hospital Ambulance Corporation d/b/a MEDIC EMS (hereinafter MEDIC) and the Scott County Emergency Management Commission (hereinafter EMA) as indicated by the actions of their respective governing bodies is hereby modified as follows:

WHEREAS MEDIC and the County have agreed to transition all MEDIC operations to a new County Department, effective January 1, 2024;

WHEREAS it is the intent of MEDIC and the County that the MEDIC organization as described in the original agreement will cease current operations for the purposes of this 28E Intergovernmental Agreement on January 1, 2024;

WHEREAS once the MEDIC organization ceases current operations, the seat that MEDIC occupies on the Scott Emergency Communications Center (hereinafter SECC) Board will be effectively vacant;

WHEREAS it is the desire of all parties to replace the MEDIC seat on the SECC Board prior to the dissolution of the MEDIC organization;

NOW, THEREFORE in consideration of the mutual covenants and agreements hereinafter set forth, the above parties agree to modify the 28E Intergovernmental Agreement as follows:

NEW SECTIONS

- 1.g Effective December 31, 2023, the MEDIC EMS Board will relinquish their seat on the SECC Board.
- 1.h Beginning January 1, 2024, the SECC Board will appoint a new Board member to the seat previously held by MEDIC EMS. The appointment must be approved by at least three SECC Board members at a regularly scheduled public Board meeting. The current seat appointee shall abstain from the vote if the Board is considering them for the seat.

- 1.i. Said appointment will be with a community member that represents the interests of healthcare, public health, or emergency medical services in the Scott County community.
- 1.j. The term of the appointment shall be for four (4) years. The Board seat may be reappointed by the SECC Board to subsequent four-year terms. The decision whether to reappoint is at the SECC Board's discretion without regard for cause.
- 1.k. Should the appointee be unable to fulfill the four-year term, the SECC Board may, at any time, appoint a different person to fill the remainder of the three-year term, subject to the same approval rules outlined herein. The SECC Board reserves the right to revoke said appointment, for cause.
- 1.l. Nominations for the January 1 appointment (every four years) may be discussed during the September or October SECC Board meeting with approval scheduled no later than the December SECC Board meeting. The appointee shall fill the vacant seat on January 1 (for a regular four-year term) or immediately for a replacement appointment.

REVISIONS

- 1.e. Strike "Chairperson of the MEDIC EMS Board" from the list of SECC Board members
- 1.f. Amend the language in this section to read, "The Administrators of Scott County, City of Davenport and City of Bettendorf shall serve as ex-officio non-voting member of the SECC Board of Directors." This change effectively removes the Executive Director of MEDIC EMS as an ex-officio non-voting member of the SECC Board of Directors.
