Minutes of the 11-30-01 Meeting

Motion made, seconded, and approved to accept minutes from 11-30-01 meeting as written.

Establish "Top Priorities" Committees

Please refer to the "Understanding and Developing Systems Relationships" attachment.

SCEMA Terrorism Response Committee

There is no terrorism information available from the state at this time. Dr. Katz attended the January meeting and discussed bio-emergencies with representatives from different service areas in Scott County. The information resulted in a completion of plans to hold a tabletop exercise. The date of the exercise will be decided at the January 29, 2002 meeting.

scottcountyems.org

Decker Ploehn requested that everyone review the web site. The Links and Comment sections are now working. An activity calendar and EICCD information are being developed.

Quality Management Report

Linda Frederiksen will be the lead person for a committee to create a feed back questionnaire concerning: radio communication, airway management, immobilization, vascular access, trauma alert, and cardiac arrest management. The surveys would go out to Nurse Managers and their staff. The results would be reviewed by the Quality Management Team to see what areas need to be focused on. Those changes would then be presented in April to the Physicians Advisory Board.

SCEMSA Report-Request for Funding

A committee has been formed for the EMS Week Activities.
A priority list has been established from the fall '01 grant money and bids are being submitted.
A request to pay an attorney fee has been forwarded to the Scott County Health Department for payment.

Scott County Fire Chiefs Report

Chief Guy to reconvene the Radio Committee.

Election of Officers will take place at the next meeting on 02/21/02 in Maysville @ 7:00 p.m.

Plans are being made for the donation of a trailer to use at long term fire scenes.

Ross Bergen has requested all Fire Chiefs to get their training schedule to him so the Nuclear Power Plant Training can be scheduled.

501C3 papers have been filed with the IRS.

Mark Postma to contact **Physio Control** on coverage issues for the **defilberators**.

Safe Kids/Safe Communities Report

Mark Campbell from the Iowa Governor's Traffic Safety Bureau, is seeking nominations for the Commissioners special award for Excellence in Traffic Safety. The awards will be presented at the state conference in Cedar Rapids, March 27th & 28th, 2002. Nominations are due by February 20, 2002. Categories are: Audio/Visual, Criminal Justice, Individual, News media, Health Professionals, Business, Children, and Youth Advocates. Contact Carla Roman for nomination forms or if additional information is needed.

Schools have been signing up for the Operation Cool presentation. There has been tremendous response for donations and participation from law enforcement agencies. The students have been a great help.
