Minutes of the July 30 Meeting

Motion to approve the July 30th meeting minutes was seconded and approved unanimously.

Homeland Security/EMA/IMT Report

Discussion: Jerry Shirk

Jerry reported that the Rock Island County Citizens Core established a volunteer registration team which received funds from the Illinois Citizens Core. The team held their first exercise which went well. The July 15th Drill After Action Report has been sent out to the planning committee members. If you would like to review the report, please contact the planning committee member from your agency that participated in the drill. The next IMT meeting will be October 13th.

SECC Report

Discussion: Brian Hitchcock

Brian reported that the building project is moving forward. It appears the contractor will tentatively hand the building over on December 6th which will allow the electronics to begin being installed. Gloria Fitzpatrick continues to work on the CAD/RMS System and meet with the Build Teams. A vendor/contractor meeting has been set for October 13th to establish installation time lines of various equipment. Mike Becker has been hired as the Quality Assurance & Training Manager.

Hospital/Health Care Report

Discussion: Pam Redpath, Adam Meuser

Pam reported that the Quad City Marathon will be September 26th. This year they made a course change. Adam reported that they have Flu Shot Clinics scheduled.

Discussion on handling guns during a routine medical call came up. Some of the issues that arise are gun handling training, storage of the gun, chain of custody of the gun and the procedure for a conscious patient versus an unconscious patient. With the January 1st verbiage change in Iowa Code for counties to issue permits to carry weapons from “may to shall” it is expected the number of permit applications will drastically rise in all counties.

Public Health Report

Discussion: Denny Coon

Denny reported they are currently in the process of working on their Work Plan that needs to be submitted by September 30th. Denny added with the new grant requirement that Special Needs Population will be added to the standing agenda to meet the new grant deliverable.

EMS Report

Discussion: Brian Jacobsen, Kevin Takacs

The strategic plan is finished. Four areas of need have been identified: Funding, Workforce, Collaboration and Research Data. The focus will now be the Action Steps which will take the first 3 to 6 months. The PAB meeting will be October 6th.

Kevin announced Med-Force has signed a contract with a new aviation vendor. Training will take place during the month of December with January 1st as the start date. There are many enhanced features as well as enhanced safety features.

Fire Service Report

Discussion: Scott Roenfeldt

Scott reported the National Weather Service was at their last meeting. They explained the criteria for the sirens to go off. They discussed and will begin a strategic planning session for the fire chiefs. The next meeting will be November 18th in Davenport.

Law Enforcement/Intel/TSA Report

Discussion: Robert Gonzales Sr, Kevin Johnson

Robert made the group aware of a remote control IED that was found in San Diego.

Kevin thanked all the organizations that assisted with the Labor Day weekend exercise.

The campaign for DHS and TSA is, "If you see something, say something".

Education Report

Discussion: Mary Briones, Jamie Temple

- ACLS Instructor course October 5th
- PALS Instructor course October 13th
- Advanced Refresher January 21st thru 23rd and February 11th thru 13th
- Basic Refresher February 18th, 19th, 20th

Other Community Partner Reports

Other Items of Interest

Discussion: Jon Ellstrom

Jon shared that cooper theft is quickly on the rise. Anything that has any scraping value they are striping and taking.
