## Help Save the Moline Depot.

The Moline Preservation Society is acting to preserve one of Moline's architectural heritage structures. The Society has launched a campaign to raise \$155,000 to cover the remaining funds required to move the Depot to the new Western Illinois University (WIU) Quad Cities campus on the riverfront.

The project will not move forward without the additional \$155,000; all other moving funds have been committed. The City of Moline has given a deadline of December 18, 2012 to raise these funds or they will demolish the Depot.

Please consider pledging funds to help in this endeavor. For more information or to pledge, go to:

[www.SavetheMolineDepot.com](http://www.SavetheMolineDepot.com) or mail your pledge to P.O. Box 9141, Moline, IL 61265. You may also call 309-230-9297.

## SCHPS Board News

Welcome to our new board member, Jaan Sturgis.

The SCHPS board has pledged \$500.00 to the Moline Preservation Society to help with the moving and saving of the Moline Depot.

Previously, we had sent \$250.00 to the Forrest Grove School. We encourage all of our members to make preservation a part of your life and to give and help out as you are able.

At our next board meeting, we will have a planning session to outline goals and ideas for future meetings, historic preservation projects and how to grow our membership. Any and all ideas that you share will be greatly appreciated; just contact one of the board members and make your ideas known!
