ARTICLE 1

DEFINITIONS

1.01 - PART-TIME EMPLOYEE

There are two classifications of part-time employees, one is a regular part-time employee who is scheduled by the Employer and another who is coded in ERP as a "PRN" (per needed and typically a former FT employee) who works an irregular schedule. A part-time employee shall not be scheduled or work thirty (30) hours or more a week. Any employee in a "PRN" status will be required to work a minimum of sixteen (16) hours per month, with shifts of four (4) or more hours. A regular part-time employee scheduled to work for 20 hours or more a week is eligible to receive sick, vacation, holiday, jury duty and bereavement pay or accruals on a pro-rated basis as set forth in this contract. A part-time employee is not eligible for insurance benefits. A regular part-time employee serves the same probationary period as a regular full-time employee, unless the part-time employee was previously employed by the Employer as a regular full-time employee and successfully completed a probationary status.

1.02 - PROBATIONARY EMPLOYEE

An employee is considered probationary for the duration of the training program with an additional six (6) months following successful completion of the training program. If a probationary employee has an approved leave of absence during the probationary period, the Employer may choose to extend the probationary period by the duration of the leave.

Upon successful completion of the probationary period, the new employee shall be put on the seniority list and their seniority shall be determined from and relate back to their original date of employment in the bargaining unit. The new employee may be terminated during the probationary period and shall not have recourse through the Grievance Procedure.

1.03 - BENEFITS DURING THE PROBATIONARY PERIOD

A regular full-time employee is eligible for contractual fringe benefits as follows:

- A. At all times they shall be eligible to utilize bereavement leave, jury duty leave, and recognized paid holidays.
- B. Commencing with the first day of the month following the first day of service, the regular full time employee shall be eligible to be covered by the group health insurance provided by the Employer.

All employees hired after 7/1/10 will use their anniversary date of their full time employment with SECC. In cases where more than one employee is hired on the same date, seniority will be determined by age (eldest to youngest), if they are the same age, it will be determined by earliest date of birth in the calendar year being the most senior.

The parties each agree during the term hereof that they will not unilaterally enter into any agreement or contract with employees in the bargaining unit, individually or collectively, or initiate practices with those employees, unless the same be permitted by law and are consistent with the terms and provisions of this Agreement, or the rules as proscribed by PERB.

Bargaining unit employees, officers and representatives shall not conduct any other Union activity or business on SECC time, nor shall they be paid for the time spent in the conduct of any other Union activity or business, except as specifically authorized by this Agreement.

However, the parties may mutually agree to request the services of a grievance mediator to assist in the resolution of the grievance prior to the Employer's answer at Step 3 or the scheduling of an arbitrator following the Step 3 answer. If the grievance mediation is not successful the Employer's answer will be provided within seven (7) days of the mediation.

Step 4. In the event that the grievance remains unresolved after the completion of Step 3, the Union shall provide written notice of its desire that the grievance be referred to arbitration. The notice shall be made within ten (10) days after the Human Resources Director's answer.

The time limits at any step in the grievance and arbitration procedure may be extended on a specific case by case basis, upon mutual agreement of the parties. If a grievance is not presented within any of the time limits specified in this Article, it shall be waived and the Employer's last answer shall be final and binding. If a grievance at any step is not timely answered by the Employer, the Union may move the grievance to the next step.

6.03 - SELECTION OF ARBITRATOR

6.05 - ARBITRATOR'S JURISDICTION

The decision of the arbitrator on the issues presented shall be final and binding. The parties may mutually agree to eliminate or modify the above impasse procedures.

ARTICLE 8

A. Full-Time Employees: Seniority is defined as an employee's length of continuous service with the Employer from the employee's date of original hire by the County, City of Davenport or City of Bettendorf as is set forth in Appendix A. All employees hired after July 1, 2010 will have their seniority based on hire date with SECC. The Union shall be furnished with a seniority list and job classifications of employees covered by this Agreement within thirty (30) days of July 1 each year. The same list shall be posted on a bulletin board in the work place. Employees shall have ten (10) days from the date of the posting to object to the seniority list. If objection is made and the Employer is unable to satisfy the objection within ten (10) days, the employee may file a grievance in accordance with the grievance procedure in the Agreement.

Part-Time Employees: A part-time employee's seniority will be pro-rated on the basis of average hours worked per week (i.e. the employee's established FTE level in the annual budget). Part-time employment will be counted toward seniority on a pro-rated basis in the event a part-time employee is assigned to full-time status in the bargaining unit.

8.02 - LOSS OF SENIORITY

ARTICLE 9 HOURS OF WORK AND OVERTIME

9.01 - WORK HOURS

A normal work day shall consist of eight (8) or ten (10) consecutive hours of work for all members of the union. The normal work week shall consist of forty (40) hours and such additional time as may from time to time be required in the judgment of the Employer. All employees shall be scheduled to work on a normal or regular work shift, and each shall have a starting and ending time. Work schedules showing the employees' assigned shift, work days and hours shall be assigned not less than eighteen (18) days in advance.

9.02 - WAGES

Wages shall be paid in accordance with the following schedule during the term of this Agreement:

Effective July 1, 2025 (3.0% GWI).

Step 1	Step 2	Step 3	Step 4	Step 5	Step 6	Step 7	Step 8	Step 9	Step 10	Step 11	Step 12	Step 13	Step 14
Public Safety Dispatcher (*Any PRN in this position will progress through steps biennially)													
\$26.82	\$27.49	\$28.18	\$28.88	\$29.60	\$30.34	\$31.11	\$31.88	\$32.68	\$33.50	\$34.33	\$35.20	\$36.07	\$36.97
Public Safety Call-Taker													
\$23.82	\$24.49	\$25.18	\$25.88	\$26.60	\$27.34	\$28.11	\$28.88	\$29.68	\$30.50	\$31.33	\$32.20	\$33.07	\$33.97

Employees (full-time and regular part-time) will advance annually through the steps on their anniversary date unless they receive an overall performance rating of less than 3.0. A part-time employee classified as PRN will advance biennially through the steps on their anniversary date unless they receive an overall performance rating of less than 3.0. In the event a step increase is to be withheld, a meeting will be held between the Human Resources Director, SECC Director, and Union Steward with the involved employee to develop a performance improvement plan.

9.03 - CALL BACK PAY

Call back pay is intended to compensate an employee for making a special trip to work under emergency conditions. To qualify for call-back pay, the employee's call-time worked cannot be continuous either before or after the employee's regular scheduled work shift. A regular full-time employee and part-time employee shall be paid for the actual call-time worked or for two (2) hours, whichever is greater, at one and one-half (1 1/2) times the employee's straight time hourly rate. Call-time cannot be included in the employee's normal work period. An employee shall not receive call-back pay if he/she is called back solely to correct a mistake made by him/her (which requires immediate correction) or perform a duty or function he/she failed to perform during paid hours of work, but shall be paid for actual hours worked.

Mandatory scheduled meeting times not contiguous to the scheduled tour shall be paid at one-half (1 1/2) times the Employee's straight time hourly wage rate for actual hours worked or two (2) hours minimum whichever is greater.

9.04 - OVERTIME COMPENSATION

A. Employee shall be compensated for authorized overtime work at one and one-half (1 1/2) times the Employee's straight time hourly rate for all approved hours worked in excess 40 hours in a workweek. However employees held over or called in early of his/her regularly scheduled shift would receive one and one-half (1 1/2) times the Employee's straight hourly rate for hours worked. Vacations, holidays, sick leave and any paid leaves of absence shall not count as time worked. Overtime shall not be paid more than once for the same hours worked.

B. ACCUMULATION. An Employee must take any overtime worked in one shift as either compensatory time or overtime with NO SPLITTING of a shift as one part compensatory time and one part overtime pay. Compensatory time may not be accrued for any work that may be funded or reimbursed by another entity or hours worked when replacing an individual who is off on compensatory time.

C. ACCUMULATION USE. Compensatory time off will be arranged by mutual agreement with the supervisor within a reasonable time of the request, but no later than 21 days in advance. Request that create an unreasonable burden on SECC's ability to provide safe and quality services to the public shall be denied. Compensatory time approved shall not be revoked because overtime may result, except in case of requests to utilize compensatory time off for holidays, the day before a holiday or the day after a holiday.

D. ACCUMULATION LIMITS. Employees may accrue up to eighty (80) hours of compensatory time, including compensatory time earned pursuant to Section 13.02, at any time in a refillable bank(s); however, may only accrue a total of one hundred and twenty (120) hours during a fiscal year.

E. ACCUMULATION AND PAYOUT. All accruals as of June 30th will be paid in the first paycheck in July. An employee may notify the payroll clerk in writing two weeks in advance of the desire to have twenty or more hours of compensatory hours paid out in

the following payroll cycle. Should the employee no longer be employed by SECC, through either termination, resignation, retirement or death, the employee shall receive a payout for all Compensatory Time accrued by the employee.

9.05 - OVERTIME ASSIGNMENTS

A. No overtime work shall be performed without the approval of a supervisor or acting supervisor. Employees who volunteer to work overtime hours will receive \$2.00 an hour premium pay or overtime pay at one and one half times (1 ½) their hourly rate of pay whichever is applicable pursuant to this contract. Part-time employees shall not be forced to work overtime. Employees must request premium pay with the working supervisor prior to the end of the applicable pay period. Supervisors will not presume an employee desires premium pay be applied.

The Overtime Log will begin at reverse seniority and will rotate through. If an employee is “not available” that means they are either not working that assigned day, have scheduled time off prior to the vacancy hours, or are already working the maximum allowed hours within the twenty-four (24) hour day.

Each employee accepting the trade will not be allowed to utilize accrued leave to complete the trade.

B. Short notice (less than twenty-four (24) hours):

Schedule vacancies will be offered to the employees by seniority from the off-going and on-coming shifts. Supervisors will elicit volunteers from off-going and call on-coming employees, in seniority order to attempt to fill the overtime.

If the vacancy cannot be filled, the next employee(s) available, according to the Overtime Log, will be forced. An employee from the off-going shift will be forced to work the first half of the vacancy and an employee from the on-coming shift will be forced to work the second half of the vacancy. A forced overtime may be cancelled if a volunteer accepts the overtime hours and the employee being forced agrees to the overtime cancellation, with supervisor approval. Any full time employee working their day off, or any part time employee working, shall not be forced to work any additional hours. However, he/she may volunteer to work additional hours and will be asked in order of seniority first by full time employee and then by part time employee, once all regularly scheduled employees are asked and decline the overtime.

Supervisors will call employees immediately or speak to them if they are working at the time of the created absence, to fill the vacancy; they will not utilize volunteers on the scheduling software.

C. Advanced notice (more than twenty-four (24) hours notice):

The employer shall post in the scheduling software any vacancies to include date and times to be filled. The vacancy for the following month will be posted and assigned during the following days:

- Between the 1st of the month and the 5th of the month - All overtime will be posted in the scheduling software.
- Between the 6th of the month and the 15th of the month - All employees are eligible to sign-up/volunteer for overtime vacancies.
 - Part-time employees are to volunteer in the scheduling software and email the supervisors (via the supervisor's email group) all of the days they are volunteering for.
- Between the 16th of the month and the 25th day of the month, with the exception of February, Supervisors will assign all the overtime that has volunteers. Part-time employees will be assigned (each person) sixteen (16) hours, before any overtime is assigned to a full-time employee. After each part-time dispatcher is assigned, by seniority, the rest of the available overtime for the upcoming month will be assigned by seniority, with the following caveats:
 - The vacancy shall be filled by seniority, first by an employee taking the whole vacancy who is regularly scheduled on the shift where the vacancy occurs; then by any other employee taking the whole vacancy. If no employee volunteers for the whole vacancy partial shifts will be assigned to volunteers by seniority.
 - For February, each phase will be shortened by one (1) day.

Any remaining overtime vacancies after the 25th will be assigned as soon as feasible on a first come first served basis regardless of seniority. If two employees volunteer at the same exact time as time stamped in the scheduling software, the senior employee shall receive the overtime.

Once assigned, OT hours can be given back within 24 hours of it being assigned to the employee. Once an employee is assigned an overtime shift there is no "bumping", the assignment stands. However, volunteered or forced overtime may be given away to another employee, if both the volunteers accept the overtime hours and the current assigned employee agrees, with supervisor approval. Employees may give away a portion or all of their overtime; there is no set hour requirement. This must be requested twenty-four (24) hours in advance of the beginning of the assignment.

If the posting does not elicit volunteers before seven (7) calendar days, then the next available employee on the Overtime Log will be assigned. An employee from the off-going shift will be forced to work the first half of the vacancy and an employee from the on-coming shift will be forced to work the second half of the vacancy.

Employees requesting time off that is approvable based on scheduling requirements may be made no less than ten (10) days in advance of the requested date. After ten (10) days the time off will only be approved if it does not create additional overtime.

Any new vacancies created will be posted for a duration of 24 hours prior to being filled by the new supervisor.

D. Employees shall not be forced to work more than twelve (12) consecutive hours on a scheduled eight (8) hour day or fourteen (14) consecutive hours on a scheduled ten (10) hour day. Employees may volunteer for up to fourteen (14) consecutive hours if needed to fill a vacancy. If the Scott County Emergency Management Agency is activated employees shall not be forced to work more than sixteen (16) consecutive hours. In any case, employees must be allowed a minimum of eight (8) consecutive hours off from the end of one shift to the beginning of the next shift unless they are forced from the end of one shift and the beginning of the next shift, then employees must be allowed ten (10) consecutive hours off.

Employees shall be allowed to flex their schedule during a week in which they have approved time off and work overtime, so long as it doesn't create additional overtime.

E. Employees on approved leave and days off in conjunction with vacation shall not be required to accept overtime assignments except in cases of emergency, nor is the employer required to call during such leave for overtime distribution. If the employee accepts the call-in while on leave, the leave would be cancelled and the individual would be paid the applicable rate of pay.

ARTICLE 10 **SCHEDULING**

10.01 STAFFING.

A. The Employer shall establish and post uniform hours of work, not less than eighteen (18) days in advance of the first scheduled shift. The work period shall be defined as a fixed and rotating period consisting of seven (7) consecutive twenty-four (24) hour sub periods. Work periods may vary by individual employees. Thus the work period may start on any day or at any hour, as long as it conforms to the parameters as set forth herein. Work periods shall consist of either eight (8) or ten (10) hour days within seven (7) consecutive twenty-four (24) hour periods. Nothing herein shall be construed as a guarantee of the number of hours worked per day or per work period or the number of days of work per work period.

B. The Employer shall consult with the Union regarding any major overall changes made to the schedule.

C. Employees shall be given at least eighteen (18) days advance written notice by SECC Management or designee when being forced to change days off due to training two (2) hours or more. Shift briefings of less than two (2) hours may be scheduled with five (5) days notice. In an emergency situation or if the Scott County EMA is activated; as much notice as is practicable shall be provided employees.

10.02 SHIFT TRADES

Employees, including probationary Employees not in training status, may trade their shifts or partial shifts with mutual agreement and the approval of the supervisor, provided a

written request is submitted prior to the time of trade indicating the original date, hours and pay back date. Trades that cause overtime to an employee will not be approved, e.g. trading for a 10 hour shift resulting in a 42 hour work week. Both employees must complete the trading of shifts within the same work week. Each employee accepting the trade is responsible for the completion of the trade. Management retains the right to approve or disapprove based on staffing levels trade. Using accrued time will be considered completion of the trade. Approved shift trades shall be considered regular scheduled hours subject to the provisions set forth in Section 9.05 herein.

10.03 SHIFT PICKS

ARTICLE 11

LEAVES OF ABSENCE - SHORT TERM DISABILITY

11.01 GENERAL POLICY

It is the policy of SECC to provide short term disability leave, commonly known as sick leave benefits, for regular employees who are unable to work due to illness or injury, subject to the limitations specified in this policy. The sick leave program is designed to provide employees with two benefits: (i) available paid leave for a reasonable amount of short-term disability or illnesses, and (ii) provide a savings bank of time to ensure available paid leave before reaching the qualifications for long-term disability or illnesses.

11.02 ACCRUAL

Regular full-time employees and regular part-time employees who are scheduled to work 1,040 hours or more annually, are eligible to accrue 4 hours a pay period (13 days per year) of sick leave credits on a pro-rated basis according to their percentage of full-time employment. Part-time PRN, Temporary and seasonal employees and cooperative students are not eligible to accrue sick leave benefits. Regular employees who are in non-pay status for more than one-half their scheduled hours in an accrual period will not accrue sick leave for that period. Sick leave will accrue without limitation. Officially

designated SECC holidays falling within the period of an employee's approved sick leave will not be charged against the employee's sick leave account.

11.03 WELLNESS DAY

Regular full-time employees who are in active pay status for thirteen consecutive pay periods, and who achieve a record of zero sick leave or sick/FML usage during this period, will be entitled to 8 hours of vacation or Wellness Day. The use of up to six hours of sick or sick/FML leave during such a thirteen consecutive pay period will not disqualify an employee from receiving a Wellness Day. The Wellness Day will be credited to the eligible employee's vacation leave account at the end of the thirteen consecutive pay periods.

11.04 USAGE

Sick leave shall accrue from the date of appointment to a benefit-eligible position. Sick leave will be charged by actual hours used. Use of sick leave shall be extended by SECC for proper cause and concern for the employee's future welfare. As such, identifiable misuse of sick leave shall be just cause for not extending this benefit, and abuse shall be just cause for disciplinary action, up to and including dismissal.

Employees carried on the records as "sick with pay" are normally expected to be found at their respective homes, physician's office, hospital, or enroute to one or the other of these locations. The parties, however, acknowledge that employees carried on the records as "sick with pay" may have medical limitations which prevent the performance of normal duties but which do not necessarily restrict them to their homes. In such cases, the appropriate supervisor shall be notified in advance. Failure to follow the conditions of this section may be grounds for the denial of sick leave. Sick Leave Abuse means misrepresentation of the actual reasons for charging an absence to sick leave, and may include chronic, persistent, or patterned use of sick leave. Indications of sick leave abuse may include but are not limited to the following:

1. Repeated use of sick days the day before, or the day after, regularly scheduled days off.
2. Repeated use of sick leave the day before, or the day after, a Holiday.
3. Repeated calloffs for illness on Holidays for which the employee is scheduled to work.
4. Repeated use of sick leave on the same day of the week, or month.
5. Patterned use of sick leave on, or the day after, payday.
6. An employee's use of most or all of his/her earned sick leave, unless obvious mitigating circumstances are present.
7. Visual observation of an employee's activities while on sick leave which indicates that he/she is not using sick leave properly; such as recreating or attending social functions.

Sick leave may be used only with the permission of the employee's duly authorized supervisor. The employer may determine that requested sick leave is chargeable to Family Medical Leave entitlement. An employee, incapacitated and unable to work or in need of medical, dental, or optical examination or treatment, shall notify the Director or designee, as far in advance as possible before that employee's scheduled reporting time

as designated by the Employer. The employee shall state the nature of the illness and expected period of absence. This procedure shall be followed for each day the employee is unable to work, unless prior approval is given by the Employer. An advance notice of less than two (2) hours may be grounds for the denial of sick leave.

Sick leave accruals may be used for the following reasons:

1. Personal illness or injury which renders the employee unable to perform the duties of his/her position;
2. Serious illness of a member of the employee's immediate family necessitating the employee to be in attendance or whose contagious disease would cause the employee's presence at work to jeopardize fellow employees. (Immediate family shall be defined as including spouse, child, parent, mother-in-law, father-in-law, daughter-in-law, son-in-law, brother, sister, brother-in-law, sister-in-law, grandparent, grandchild, legal ward or person residing in the household);
3. Medical, dental or optical appointments which cannot be scheduled during non-working hours.

Medical documentation of illness may be required for any sick leave absence, but is always required when sick leave is three (3) or more consecutive days off, or on a holiday, the day before said holiday, or the day after said holiday as defined in section 12.01 HOLIDAYS.

Sick leave will not be granted in the event of absence resulting from illness or injury brought about by the performance of duties on behalf of an employer other than SECC.

Employees cannot access sick leave hours not yet accrued, accrued hours are those that were listed on the employee's preceding payroll check.

11.05 ADMINISTRATIVE PROCEDURES

1. Prior to approving sick leave benefits, the Director or designee may require an employee to furnish a doctor's statement, and/or other relevant information certifying the necessity of absence.
2. Supervisors are responsible for insuring that all sick leave hours as reflected by payroll records are accurate.

11.06 - BEREAVEMENT LEAVE ELIGIBILITY

Employees are eligible for a paid leave of absence of up to three days for a death in the immediate family for purposes of attending the funeral or attending to funeral related matters in the same week. Extensions of the three day bereavement period may be granted by the Director due to the close nature of the family relationship (e.g. spouse, parent, or child) or in the event long distance travel is involved. However, in no event shall bereavement leave exceed five working days. The Director retains the discretion to grant

additional leave charged to the employee's paid leave bank depending on the circumstances. In the event of the death of a SECC Employee, the Director depending on scheduling may grant bereavement leave to the departmental employees to attend funeral and visitation services.

11.07 - BEREAVEMENT LEAVE ADMINISTRATION

Only days absent which would have been compensable work days will be paid. No payment will be made during vacations, holidays, layoffs or leaves of absence. Payment will be made on the basis of the employee's straight time hourly rate of pay in effect at the time the leave is taken.

11.08 - JURY DUTY LEAVE

Any employee selected for jury duty shall receive a paid leave of absence for the time he spends on such duty. If an employee is called for jury duty, the employee should promptly notify his immediate supervisor. The employee shall receive the difference between any compensation received for jury duty and her/his straight time hourly rate of pay for all work hours lost as a result of such jury duty. An employee may, as an alternative to the above, assign to the Employer that remuneration which is duplicate compensation, in which case no adjustments will be made to the employee's regular hourly rate, less mileage reimbursement. An employee who is summoned for jury duty but is not selected, or an employee who is released from jury duty with an hour or more remaining on the employee's shift shall return to work. Employees scheduled to work third shift shall not be required to report to work if they are scheduled to report to jury duty the following day, allowing for an 8 hour rest period.

11.09 - WITNESS LEAVE

If an employee is subpoenaed or issued a trial notice by the county attorney's office as a witness in a court action not involving criminal or civil action by or against the employee and such court action occurs during the employee's scheduled hours of work, he shall receive a paid leave of absence for time he spends on such duty. Said employee shall receive the normal work day's pay and shall return to the Employer pay received as a witness, except mileage when the employee uses their own personal vehicle to attend such court action.

11.10 - MILITARY LEAVE

Chapter 29A.28, the Code of Iowa, shall govern military leave. The Universal Military Training and Service Act shall govern re-employment rights. Employees returning to work from military leave of 1-30 calendar days must report back to work on the first regularly scheduled work day following completion of service, after allowance for safe travel and an 8 hour rest period. Employees seeking a military leave of absence shall provide as much advance notice as known of his/her official military orders to the Director or designee. Requests for thirty calendar days or less may be approved by the Director or designee. Any potential abuses of military leave should be reported to the Human Resources Director.

11.13 - UNPAID LEAVE

Non-probationary employees may be eligible for unpaid leaves of absence. An employee who fails to return to work at the end of an unpaid leave of absence shall be deemed to have voluntarily quit, or, if applicable, voluntarily retired on the last day of work prior to the leave. Unpaid leave of absence for a limited period may be granted for any purpose reasonable in the judgment of Employer. The Employer's decision is final and not grievable. An employee desiring an unpaid leave of absence shall make a written request to the Director, setting forth the reason(s) for the request and the duration of the requested leave. A request for an unpaid leave of thirty days or less will be approved or disapproved promptly by the Director. The Human Resources Director shall consult with the employer regarding any request more than 30 days regarding the applicability of state or federal law. Other requests for an unpaid leave of more than thirty days will be approved by the Director. In no event shall unpaid leave, under the provision of this policy, be approved for more than six months by the Board.

11.12 - BENEFITS DURING UNPAID LEAVE

During an unpaid leave of absence of more than thirty (30) calendar days, the employee:

- A. Shall not accrue seniority, and shall have his seniority date adjusted to reflect the length of the unpaid leave.
- B. Shall not accrue sick leave, vacation, or other forms of leave.

11.13 - DISABILITY/INJURY LEAVE

An employee off work due to an on-the-job injury or illness covered by Worker's Compensation may elect to receive their normal pay from the Employer for the time off work. An employee may elect to use accrued sick leave in an amount necessary to offset the difference in pay between worker's compensation benefits and the employee's normal pay. Provided, in no event will an employee receive a combination of worker's compensation benefits and sick leave pay in excess of his/her normal pay. An employee on Worker's Compensation shall continue to receive all Employer-paid benefits received by other employees.

11.14 - FEDERAL FAMILY AND MEDICAL LEAVE

The Employer will comply with federal law as it relates to Family and Medical Leave. Employees must comply with procedural requirements in County Policy Y. Employees will be required to use all sources of paid leave concurrently with Family Medical Leave. The annual FMLA allowance will run concurrently with any Workers' Compensation leave. If the employee is in a non-pay status at any time during FML, the employee shall not accrue vacation, sick, or holiday leave for that period of time in which they received no pay. If an employee fails to return to work after the employee's approved FML request has expired, the Employer shall regard this as the employee's resignation.
