27th Nov 1944

From my notes I find that the
cave is in the shape of a
shallow basin and is
filled with water.
The water is very shallow
and is only about 2 feet
deep at the shallowest
part.

The water is very clear

and is very still.

The cave is very

shallow and is only

about 2 feet deep

at the shallowest

part.

The water is very

clear and is very
